GENERAL INFORMATION: The purpose of this form is to reflect the amount of value lost in connection with each TIF reinvestment zone (zone) created and designated under Tax Code Chapter 311 in a single school district in one county. The information is required to determine a deduction, if any, from taxable values for purposes of the Property Value Study, of the total dollar amount of captured appraised value of property in the zone that meets the requirements of either Government Code Section 403.302(d)(4) or (d)(5), as well as the limitations of Government Code Sections 403.302(e) and/or (e-1). The deduction is based on the amount of the school district's tax increment fund payment.

- the PVS Tax Rate Submission Spreadsheet when providing a copy of the certified annual appraisal roll to the Comptroller's office pursuant to the *Electronic Appraisal Roll Submission Record Layout and Instructions Manual*;
