OFFICE OF THE CHIEF APPRAISER

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information regarding the amount of taxes that each entity that taxes your property will impose if the entity adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected officials propose and adopt the property tax rates that will determine how much you pay in property taxes.

Follow the instructions below to register to receive notifications regarding updates to the property tax database:

A property owner may register to receive email notifications regarding updates to the property tax database by following the instructions found on the appraisal district's homepage, www.fbcad.org. Scroll down and click "Tax Code Section 26.04(e-2)." On the next page, you'll see instructions on how to add your email address to the list to be notified of changes to the Truth-in-Taxation database.

You may request the same information from the assessor of each taxing unit for your property by requesting their contact information from your county's assessor at:

Fort Bend County Tax Assessor-Collector,
Ms. Carmen Turner
1317 Eugene Heimann Circle
Richmond, Texas 77469
